Request to Extend Time to File

Dear Judge Parker,

I write on behalf of Plaintiffs in the above-named matter. The Court set the deadline for the supplemental brief without consulting the parties, and I was out of town for almost the entire time since the order was issued; first for a proceeding in California, and then earlier this week for depositions in this case in Rochester, returning home late last night. Unfortunately, I had another client emergency arise today that has prevented me from being able to complete the brief requested by the deadline, which is a few minutes from now. I intend to file the brief within the next few hours, but I nonetheless make this request now so that it is appropriately on the docket before the deadline has passed. Because I intend to file before the sun rises, there will be no prejudice to Defendants, and this request should be granted and the brief and accompanying declaration should be accepted for filing.

Plaintiffs thank the Court for its attention to this matter.

Respectfully submitted,

Brian C. Brook
